NO PREVIOUS EXPERIENCE REQUIRED

A gentle way in.

Clear explanations. Guided practice. Space to reflect.
Learn at your own pace, with comfort and choice throughout.

01 Breathe

Breath awareness and Box Breathing.

02 Imagine

Guided Visualization for personal inner exploration.

03 Focus

Focused Attention Meditation, also known as Dharana.

04 Notice

Guided Body Scan, Noting and Labeling.

05 Release

Ho'oponopono-inspired reflection and Undo & Unlearn.

06 Integrate

Seven-chakra guidance, Resonant Energy Meditation and mindful music.

QUICK STARTER DEMO

A guided introduction to the experience.

Charges may apply.

1

HOUR

DAYS 01-03 / THE JOURNEY

Find your grounding.

Build familiarity with breath, emotion and attention.

01 Root Chakra

Meditation basics, healthy expectations, breathwork, safety, stability and belonging.

Practice: Box Breathing + Root

02 Sacral Chakra

Creativity, emotion, boundaries, visualization and an introduction to the Vijnana Bhairava Tantra.

Practice: Box Breathing + Visualization + Root & Sacral

03 Solar Plexus Chakra

Confidence, agency and disciplined attention, with a kind approach to distraction.

Practice: Visualization + Focused Attention + Root to Solar Plexus

Day 1: 3 hours / Day 2: 2 hours / Days 3-9: 2-3 hours

DAYS 04-07 / THE JOURNEY

Make room for awareness.

Compassion, expression, observation and connection.

04 Heart Chakra

Compassion, gratitude and emotional awareness, with room for healthy boundaries.

Practice: Focused Attention + Ho'oponopono + Root to Heart

05 Throat Chakra

Authentic expression, mindful communication, deep listening and the value of silence.

Practice: Ho'oponopono + Undo & Unlearn + Root to Throat

06 Third Eye Chakra

Body awareness, observation, interpretation and intuition with clear attention.

Practice: Undo & Unlearn + Body Scan + Root to Third Eye

07 Crown Chakra

Meaning, connection, humility and spacious awareness through the seven-chakra framework.

Practice: Body Scan + Noting and Labeling + all seven chakras

DAYS 08-09 / TAKE IT INTO LIFE

Carry the practice *with you.*

DAY 8

Integrated Sound Experience

Bring all seven chakras together with two selected add-ons. Sound-therapy-inspired meditation is optional. Comfortable volume and personal choice guide the experience.

DAY 9

Resonant Energy Meditation

Uplifting rhythmic sound, mantra-inspired vocal energy and mindful listening, followed by a music jam. Conclude with a personal plan for continuing practice.

WHAT YOU TAKE HOME

- A choice of attention anchors.
- A kinder way to return when the mind wanders.
- A realistic personal meditation routine.

SOFTWARE / PEOPLE / EXPERIENCE

Create a place *to pause.*

Bring the Srishti meditation experience to your premises with digital software, guided content and trained operators.

The space

Room and seating planning, immersive cosmic visuals, spatial audio and installation guidance.

The software

Meditation software, multilingual guided content, session workflows and customized digital solutions.

The people

Train your team, or receive assistance recruiting and deploying trained operators at your premises.

FRANCHISE OPPORTUNITY

Build a meditation destination in your city.

Branding, software, content, operator training, recruitment assistance, launch guidance and ongoing support.

For hotels, resorts, workplaces, technoparks, malls, wellness centres, educational institutions, residences and retreats.

YOUR SPACE. A SHARED PLAN.

From idea to opening.

01 Consultation

Understand your space, audience and objectives.

02 Experience planning

Plan seating, visuals, sound, software and branding.

03 Integration

Configure the technology and guided content.

04 People & training

Train your team or help recruit operators locally.

05 Launch

Test the experience and prepare the operating workflow.

06 Continuing support

Software, content updates and operator guidance.
