Explore the
Srishti experience.

Chakras, mantra, visualization and sound are contemplative practices. They are not medical treatments or guarantees of outcomes.

GUIDED MEDITATION

Nine days. Seven centres. One immersive *journey.*

Join the Nine-Day Meditation Journey

Comfort. Attention. Inner exploration.

SRISHTI INNOVATIVE

Ground & grow.

01 Root

Meditation basics, healthy expectations, breathwork, safety, stability and belonging.

Practice: Box Breathing + Root

02 Sacral

Creativity, emotion, boundaries, visualization and an introduction to the Vijnana Bhairava Tantra.

Practice: Box Breathing + Visualization + Root & Sacral

03 Solar Plexus

Confidence, agency and disciplined attention, with a kind approach to distraction.

Practice: Visualization + Focused Attention + Root to Solar Plexus

04 Heart

Compassion, gratitude and emotional awareness, with room for healthy boundaries.

Practice: Focused Attention + Ho'oponopono + Root to Heart

Day 1: 3 hours / Day 2: 2 hours
Days 3-9: 2-3 hours

Notice & integrate.

05 Throat

Authentic expression, mindful communication, deep listening and the value of silence.

Practice: Ho'oponopono + Undo & Unlearn + Root to Throat

06 Third Eye

Body awareness, observation, interpretation and intuition with clear attention.

Practice: Undo & Unlearn + Body Scan + Root to Third Eye

07 Crown

Meaning, connection, humility and spacious awareness through the seven-chakra framework.

Practice: Body Scan + Noting and Labeling + all seven chakras

08 Integrated Sound

Sound-therapy-inspired meditation is optional.

Practice: Two appropriate add-ons + all seven chakras

09 Resonant Energy

Uplifting sound and personal integration.

Practice: Resonant Energy Meditation + mindful music jam

The space. The software. *The people.*

Room planning, immersive visuals, spatial audio, digital software and content, brand integration and operational guidance.

Train your team or receive assistance recruiting and deploying trained operators at your premises.

FRANCHISE OPPORTUNITY

Create a meditation destination with Srishti branding, software, guided programmes, training, launch guidance and continuing support.

HOW IT WORKS

Consultation / Experience planning / Integration / Recruitment & training / Launch / Continuing support

For hospitality, workplaces, malls, wellness centres, education, communities and retreats.
