

NINE DAYS. SEVEN CENTRES. ONE IMMERSIVE JOURNEY.

Discover meditation through a structured nine-day programme in a luxurious, technology-supported environment designed for comfort, attention, and inner exploration.

JOIN THE NINE-DAY MEDITATION JOURNEY

No previous meditation experience is required.

MEDITATION MADE UNDERSTANDABLE

A beginner-friendly progression through breath, attention, bodily awareness, visualization, sound, and the traditional seven-chakra contemplative framework.

Participants experience

- Breath awareness and Box Breathing
- Guided Visualization and Focused Attention
- Ho'oponopono-inspired reflection
- Undo & Unlearn
- Guided Body Scan
- Noting and Labeling
- Seven-chakra guided meditation
- Optional sound-therapy-inspired meditation
- Resonant Energy Meditation
- A concluding mindful music experience

QUICK STARTER DEMO

Experience a guided introduction to the Srishti immersive meditation journey.

Duration: 1 hour

Charges may apply.

THE NINE-DAY JOURNEY

1 · ROOT

Meditation basics, breathwork, grounding, stability, safety, and belonging.

2 · SACRAL

Creativity, emotion, boundaries, visualization, and the Vijnana Bhairava Tantra.

3 · SOLAR PLEXUS

Focused attention, confidence, agency, and disciplined action.

4 · HEART

Compassion, gratitude, healthy boundaries, and Ho'oponopono-inspired reflection.

5 · THROAT

Authentic expression, mindful communication, listening, and Undo & Unlearn.

6 · THIRD EYE

Body awareness, clear observation, intuition, and Guided Body Scan.

7 · CROWN

Meaning, connection, spacious awareness, Guided Noting, and all seven chakras.

8 · INTEGRATED SOUND

Two selected add-ons, all seven chakras, and optional sound-inspired meditation.

9 · RESONANT ENERGY

Uplifting sound, focused attention, mindful listening, music, and integration.

IMMERSIVE TECHNOLOGY. TRAINED PEOPLE.

Srishti Innovative provides an integrated meditation-room solution for hotels, resorts, corporate campuses, technoparks, malls, wellness centres, educational institutions, residential communities, retreats, and hospitality destinations.

The solution can include

- Experience and meditation-room planning
- Immersive meditation software and digital content
- Visual and spatial-audio configuration
- Installation and operational guidance
- Brand integration
- Operator training
- Trained-manpower recruitment and deployment
- Ongoing software, content, and customized digital-business solutions

FRANCHISE OPPORTUNITY

Build and operate a distinctive meditation experience in your city with Srishti branding, immersive software, guided-session workflows, trained-manpower assistance, launch guidance, and continuing support.

FROM CONSULTATION TO LAUNCH

1 Consultation

Understand the location, audience, space, objectives, and operating model.

2 Experience planning

Define seating, visuals, sound, software, branding, and participant flow.

3 Integration

Configure software, guided content, immersive visuals, and sound.

4 Recruitment & training

Train an existing team or help recruit trained operators.

5 Launch

Test the room and prepare operations and programme standards.

6 Continuing support

Provide software, content, operator, and digital-solution support.
